TODDLER PLAY

Handprint Alphabet Book

Instructions:

This activity is just as fun for you as it is for your toddler!

1. Have your toddler do a handprint or two a day with washable, nontoxic finger paint.
2. Then, you get to turn the handprints into pictures that represent each letter of the alphabet.
3. When you're finished, hole punch the edges and tie together with ribbon.

Don't worry if you aren't an artist, it'll be a keepsake and a fun memory to cherish!
