

SCREEN FREE TODDLER PLAY

Sensory Dig

Instructions:

1. Make 1 box of Jell-O according to package directions.
2. Before placing Jell-O in fridge to mold, add smaller plastic toys, teether rings, etc.
*Wash items before and after activity.
3. After the Jell-O sets, let your child dig in and excavate their toys!

Try asking your toddler to describe how the Jell-O feels.
