

ADDENDUM # 1
Naperville Public Library
Multi-Function Printers with Proof of Concept
Participation RFQ
Questions thru June 18, 2021

1. To be clear, no pricing is needed at this time. Correct?
 - a. Yes.

2. Are you able to provide a fleet list of the laser printers to be managed in the MPS agreement?
 - a. Yes, at the appropriate time after the Proof of Concept participation.

3. What exactly does your POC entail? Do you want a demo at all 3 locations vs just one demo at one location?
 - a. One device at one location.

4. Will you require card readers on the Proof of Concept devices or are you providing them?
 - a. No.

5. The additional unit you are asking for, would you like color or black and white device?
 - a. Color.

6. Can you provide the Models and average monthly volume on the printers you would like managed?
 - a. This information will be provided as part of the subsequent RFP.
